

ONLINE TICKETING STEP-BY-STEP

LANDING PAGE

Once you pick out the game of your choice you will first see the main landing page with information regarding the game, the team, and the ballpark.

There are three different ways to pick your seats for the game.

The screenshot shows a web browser window with the URL `etix.com/ticket/online/performanceSale.do?method=switchSelectionMethod&selection_method=byBest`. The page features the Gary SouthShore RailCats logo, which includes a cartoon cat character holding a baseball bat. The main heading is "Opening Night: Gary SouthShore RailCats vs. Milwaukee Milkmen". Below this, there is a link to "Gary SouthShore RailCats - US Steel Yard" and the date and time "May 22, 2020 7:10 PM". There are buttons for "Google" and "iCal". The page also includes links for "VIEW SEATING CHART" and "MORE INFORMATION". A paragraph of text describes the team's history, mentioning their time in the Northern League and their American Association membership. Another paragraph mentions their success in the Northern League, including five consecutive Championship Series titles from 2005 to 2009. At the bottom, there are social media links for Facebook, Twitter, and Instagram, and a "CONTINUE SHOPPING" button. The bottom of the page shows a "Best Available" tab, a "Section" dropdown, and a "Seating Chart" button. A "Number of Tickets" dropdown is set to "0", and the price is listed as "RESERVED: \$0.00 - \$12.00 *".

OPTION 1: BEST AVAILABLE

If you have no preference on location and wish to have the best seat(s) available to the game simply choose which type of ticket(s) you need and add to your cart.

“U-“ ticket types correspond to the handi-accessible seats at the Steel Yard, both wheelchair and companion.

The screenshot shows a web browser window with the URL etix.com/ticket/online/performanceSale.do?method=switchSelectionMethod&selection_method=byBest. The page title is "Opening Night: Gary SouthSho". The main content area is titled "Best Available" and contains a list of ticket options, each with a quantity selector (set to 0) and a price range. The options are:
